

***Dear Generous Heart,***

The Palos Verdes Junior Women's Club invites you to partner with us in our longstanding support for South Bay women and children in crisis. We are respectfully requesting a donation of service, merchandise or gift certificates.

Since 1958, we have raised several million dollars for local philanthropies. One hundred percent of net proceeds generated from donations like yours have aided women and children in need. Harbor Interfaith Shelter, Boys and Girls Club L.A. Harbor, SHAWL and Toberman For Children are just some of the philanthropies that have benefited from the fundraising efforts of the Palos Verdes Junior Women's Club.

Your support will be well promoted. Your business will be recognized in the event program books and will receive invaluable exposure all year long to thousands of influential South Bay and Los Angeles residents. Additionally, you will receive indirect media exposure from the newspapers, signage and posters that will advertise these events.

With your support, we may continue to assist women and children in building a better future for themselves. Funds raised from the silent auction go straight to the bottom line and have a significant impact on the lives of those supported by our philanthropies.

We hope that you will support our fundraising efforts. As a 501(c)(3) charitable organization, all donations are tax-deductible to the extent provided by law.

We eagerly await your response. If you need additional information, please feel free to contact us at any time. Please also visit our website at [www.pvjuniors.org](http://www.pvjuniors.org).
